### **QUIET 13HH AUST RIDING PONY, A REAL SWEETHEART**

Minty is a beautiful Pony inside and out, loves cuddles and is easy to catch, float and trim feet. Anyone would fall in love with her. I have had Minty for almost three years. She is for sale through no fault of her own. My daughter has just lost interest. Minty is too good to go to waste. I have been working with Minty myself and with an instructor. She is a quick learner, forward moving but with a quiet nature. She has never bucked, kicked or bitten. Minty wants to work and would thrive with more challenges. Horse sports and pony club would be ideal for her. She is forward moving so is not suitable for a complete beginner. This is a regretful sale, if she were a bit bigger I would keep her for myself. \$3000 to approved home only. email [matzan@bigpond.com](mailto:matzan@bigpond.com) or phone 0448656882
